

# Cafeterias with EnvirOx Cleaner/Degreaser/Sanitizer

## Cafeterías con EnvirOx Limpiador/Desengrasante/Sanitizante

Tables, Chairs, and Counters  
Mesas, Sillas, y mostradores

Spray RED areas with RED (#3) solution, then scrub or wipe as required. No rinse is required.

Rocíe solución ROJA (#3), luego limpie o frote como requerido. No es necesario enjuagar.

Spray & wipe GREEN areas with GREEN (#1) solution.

Rocíe y seque con solución VERDE (#1).

**Tables and chairs should be wiped down daily with GREEN (#1) solution. When heavily soiled or during flu season use RED (#3) solution.**

*Las mesas y las sillas deben ser limpiados diariamente con VERDE (#1) la solución. Cuando mucho soiled o durante de la temporada de gripe uso ROJO (#3) la solución.*

### Floors Pisos

For restoration cleaning soak floors in RED (#3) solution, let sit for 10 minutes and scrub by machine or hand. Rinse with cold tap water to remove released soil.

Para limpiar de restauración empapa pisos en ROJO (#3) la solución, permítelo sentarse durante 10 minutos y restriega por máquina o mano. Aclare con agua fría corriente para quitar tierra soltada.

Large floors:  
Mop with GREEN (#1) solution.

Trapée areas grandes con solución VERDE (#1).
